

**Engagement with Voluntary Sector  
Organisations regarding respite services for  
people with learning disabilities and  
complex needs.**

**Venue: Hartlepool Independent Living Centre**

**Date: 19<sup>th</sup> October 2017**

**Time: 1pm – 3:30pm**

**What's Happening?**

The Communications and Engagement Team of NHS North of England Commissioning Support (NECS) is supporting NHS South Tees Clinical Commissioning Group and NHS Hartlepool and Stockton-on-Tees Clinical Commissioning Group ('the CCGs') to actively consult members of the South Tees and Hartlepool and Stockton-on-Tees populations.

The aim of the consultation is to inform a review of respite services for people with learning disabilities (including complex needs) in the two CCG areas. This is to ensure that these services will appropriately meet the needs of the population now and into the future in the context of the wider Transforming Care Agenda.

As part of this consultation Inclusion North are inviting you to a session to capture the views of voluntary sector organisations in the area who work with and support people with learning disabilities and their families.

**How to be part of this?**

To book a place at the engagement session contact Samta:

[samta@inclusionnorth.org](mailto:samta@inclusionnorth.org) or 0113 244 4792

If you are unable to make this session your views can be captured through a questionnaire at this link:

<https://www.surveymonkey.co.uk/r/LDRespiteconsultation2017>

Or by booking a telephone call with Kellie Woodley. Which can be arranged by contacting: [kellie@inclusionnorth.org](mailto:kellie@inclusionnorth.org)
