

Important information for patients using the Eston Grange Walk In Centre

This Walk in Centre will close on 31 March 2017

From 1 April 2017, if you need to make a health care appointment during the day, you should contact your own GP practice as normal between 8am and 6pm.

If you aren't registered with a GP practice, it is easy to do so.

Find your nearest NHS doctor by visiting www.nhs.uk.

Contact the GP surgery and ask to register with them. They will usually ask you for details such as:

- Your name and address
- Your date of birth
- Your NHS number (if you know it)
- Other information, such as the name and address of your previous GP
- Your views on organ donation

From 6pm to 8am you should contact **NHS 111**. **NHS 111** is free to call from landlines and mobile phones, and is available 24 hours a day, 365 days a year
